

STUDENT GAME AWARD

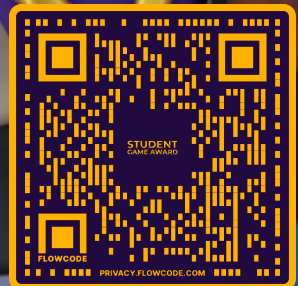

CALLING ALL STUDENT GAME DEVELOPERS!

Join the world's largest game development competition and submit your game to get recognized by games industry veterans & win awesome prizes!

Student Game Award is open for students of all fields interested in making games. If you have a game project, you're welcome to join!

Participation is Free! Winners get Autodesk software licenses, professional career coaching, and visibility for their project.

The Student Game Award is an official part of The Game Development World Championship 2022 presented in partnership with Autodesk.

Submit your Game Online by February 28th 2023
